

**Build Your Own Home the London Way**

- **Two funding streams:**
  - £5m of repayable development finance for Custom Build Housing.
  - £3m of revenue grant funding to support Community Right to Build.
  - The fund launched in July 2012 and closed for new funding applications on 2 January 2015. The final date to drawdown funding is March 2016.
  - We have approved CRTB funding for thirteen projects.
  - All the projects which are still progressing are seeking a planning permission rather than a CRTB order.
  - CRTB funding and advice is still available from <http://locality.org.uk/>
  
- **Custom Build Serviced Plots Loan Fund**
  - £150m to fund the development of serviced plots for custom build.
  - £22.5m ring-fenced for London for suitable opportunities
  - Fund operated by Homes and Communities Agency, bidding is open via: [https://www.gov.uk/government/uploads/system/uploads/attachment\\_data/file/437275/CBSP\\_Prospectus\\_-\\_CME\\_full.pdf](https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/437275/CBSP_Prospectus_-_CME_full.pdf)
  
- **Build Your Own London Home Register**
  - Online resource run by Local Self Build Register for people and groups who wish to express an interest in building or designing their own homes
  - Set up by Ecomotive to help self builders and local authorities communicate
  - To provide City Hall with wide-ranging data of interest and demand across London from those interested in self build
  - The data could help inform housing policy including the Housing Strategy and the London Plan if such demand is found
  - Register at [www.localselfbuildregister.co.uk/buildyourownlondonhome](http://www.localselfbuildregister.co.uk/buildyourownlondonhome)
